Justice Information Technology Integration Implementation Project

NEW JERSEY

Award To: New Jersey Department of Law and Public Safety

Amount: \$350,000*

PURPOSE:

The New Jersey Department of Law and Public Safety will use the funds to support the cost of the Criminal Justice Information System Committee Master Plan. The Master Plan will focus on initiatives that will facilitate data sharing among criminal justice agencies, eliminate of duplicate record keeping, and develop framework for the creation of a future statewide integrated criminal justice information system for New Jersey. One of the Master Plan's main objectives will be to review the various segments of the criminal justice information systems databases to form a data warehouse that will provide senior managers with the ability to view and analyze New Jersey criminal justice data globally.
