**NEW MEXICO**

Award To: Supreme Court of New Mexico, Administrative Office of the Courts

Amount: \$800,000\*

**PURPOSE:**

The State of New Mexico will use the funds to maximize coordination among its justice agencies' information systems and provide increased efficiency in the justice process. New Mexico will develop a justice Web portal to increase availability of shared information by providing online access to agency data. To increase data accuracy and integrity among courts and other criminal justice components, the state will re-engineer its statewide electronic court filing system and create a system to automate citations.
