Justice Information Technology Integration Implementation Project

NORTH CAROLINA

Award To: State of North Carolina

Amount: \$600,000*

PURPOSE:

The State of North Carolina will use the funds to help update the development plan for its Criminal Justice Information Network (CJIN). Additionally, the state will use funds to standardize CJIN to XML format, which will aid in data transfer between agencies. North Carolina will also instate an eCitation Initiative. This program will allow police officers to send citation information from the scene of a violation directly to the court system, aiding efficiency and data integrity.
